Click'M

Follow the steps below to use the innovative "Click'M" handle:

1) Attach the lightweight frame to the handle.

2) Unscrew the green cap on top of the handle. Fill the reservoir with tap water using the enclosed fill bottle. Screw cap back.

3) Place and "click" the microfiber mop under the frame.

4) Press the green cap on top of the handle to dispense tap water behind the mop through the triple-spray nozzles.

5) Spray and wipe the floor using a circular movement. Start from a corner and wipe floor clean towards door.

6) To ensure a long lasting use of the "Click'M" handle, empty the reservoir after each use.
